In Ol' Morgan

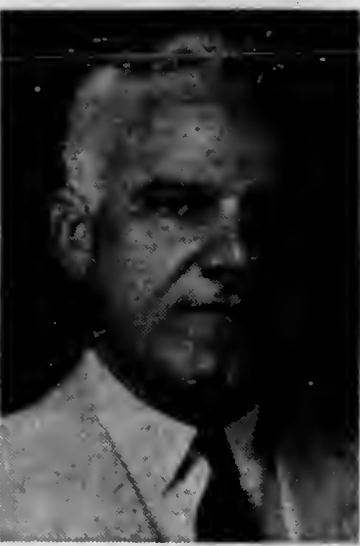

OLD FRIENDS NEVER FORGET.
THEY MUST REMEMBER

The two men had not seen each other in thirty-five years. They were old friends and had desired baseball together on the Ezel team years ago. In those days Will Quicksall pitched for the Ezel nine and George Fannin played first base.

A few years ago Quicksall, who long since had departed for Florida, returned to Morgan county for a visit.

He looked up a friend Jim Davis, West Liberty attorney, who also was on that Ezel baseball team, and then decided to go to the courthouse and surprise his old teammate, George Fannin, then county court clerk.

Wanting to see if George would recognize him after his absence of 35 years, Quicksall entered the court clerk's office unannounced. Fannin did not look up at once. When he had finished some papers for a customer, he glanced at Quicksall, then a slow grin spread across his face. Stretching his arm as if to field a ball, he called, "Put 'er to first, Bill!"

Expert Coming

To Paintsville & Morehead Again

GEO. L. HOWE

Well-known expert of Indianapolis will personally demonstrate his method without charge at the Howard Hotel, Paintsville, Friday, March 27th from 9 a.m. to 12 noon, and at the Midland Trail Hotel, Morehead, from 2 p.m. to 6 p.m. Ask for Mr. Howe at the desk.

Mr. Howe says the Howe method contracts openings in remarkably short time on the average, regardless of the size or location of the rupture and no matter how much you lift or strain and puts you back to work the same day as efficient as before you were ruptured.

The Howe Rupture Shield has no leg strap; waterproof, sanitary, practically indestructible and can be worn while bathing. Each shield is skillfully molded and fitted to the parts under heat which gives a perfect fit and satisfaction.

Large and difficult ruptures following operations especially solicited.

Do not overlook this opportunity if you want gratifying results. Mailing address P. O. Box 5233 E. Michigan St. Station, Indianapolis 1, Ind.

Leo was killed in an auto accident in Columbus, O. All who knew him liked him as he always had a smile. A few years ago he had an accident and was hurt badly. He had the church come to his home and pray for him, after that he expressed faith in the Lord and said no doubt the Lord had spared his life and healed him.

He was a deacon in the Grundy Church of Christ, where the funeral was held. He had been a member of the church since 1944, being baptized at that time by Rev. Greenleaf. The same preacher conducted the funeral. Rev. Greenleaf said that during the eight years Mr. Yates had been a member of the Sun-

day school he had missed only three times and he recently had been awarded a pin for five years perfect attendance. He was superintendent of the Sunday school three years and was a faithful church member. Mr. Yates carried a little testament with him in the mines which was lost in the accident that took his life. IN MEMORIAM

In loving memory of my father, Robert Lee Cox, who passed away March 20 two years ago.

The midnight stars are shining upon your silent grave. Beneath it sleeps the one we loved, the one we could not save.

So peaceful be your sleep, dear Dad,

It's sweet to breathe your name

In life we loved you dearly, in death we do the same.

If I had all the world to give, I'd give it yes and more

To hear your voice and see your smile, and greet you at the door.

They say time heals all sorrow and helps us to forget.

But time has only proven, how much we miss you yet.

In our hearts your memory lingers.

Always tender, fond and true, There's not a day, dear dad,

That we do not think of you. You bid no one a last farewell

You said goodbye to none. Your loving heart just ceased

To beat.

And before we knew it you were gone

You did not fail to do your duty

Your heart was good and kind And another day would be so hard to find.

Although your soul is now at rest

And free from grief and pain The world would seem like heaven if we had you back again.

But still we say God's will be done

We pray you have eternal rest And those who grieve for you today

Are the ones who loved you best.

—Still missed so very much by your daughter, Ethel Mae. (pd)

The Save the Children Federation is developing a project to collect band instruments for children in SCF schools.

James Conley of Dayton, O., visited his sister, Mrs. Kedric Caskey and his mother, Mrs. Sara Conley of Crockett recently.

BY SCOTT MEADE

There are a lot of advantages to being in business. For one thing, it gives us an opportunity to meet a lot of nice people. We talk a little... listen a little... and by and by we find our viewpoint broadening and our opinions less opinionated.

We hear a lot of interesting things, too. Things we'd like to pass along to all of you because we know you'd enjoy hearing about them. So from now on, we're going to appear in this newspaper every week. Don't fret, we're not going to be political analysts or news commentators. In fact, we're going to make a point of staying away from such topics.

During the ensuing weeks this column will attempt to touch with calm understanding on a thought, a belief, or a credo which will help us all to gain a better insight and a truer perspective of mankind.

We believe that mankind in his progress—sometimes faltering, sometimes stumbling, but never quite falling—has gained an expectant but unsure foothold on the threshold of absolute maturity. To better understand our future we must first better understand our motives and our beliefs. And with the belief that life as such is but a way point on the road to a fuller and richer reward, we offer our counsel and our facilities at time of bereavement.

It is our custom every week to focus this column upon the most significant achievement of the week. This week we honor Roy Coldiron's daughter, who had the presence of mind to notify the fire dept. when she spotted smoke emanating from the window of Hanes's Department Store. Her quick decisive action saved the building. Salutations to you.—THE WEST LIBERTY FUNERAL HOME, Phone 143.

CARD OF THANKS

We wish to express our sincere thanks to our friends and neighbors who helped in many ways during the illness and death of our brother Ben Lewis. We want to thank the ministers, Revs. Kirby Williams, George Allen, W. H. Wells and Colza Helton for their kind and consoling words, those who gave flowers and especially do we thank Mathie Wells and wife for their untiring effort in caring for him, the West Liberty Funeral Home for their kind and efficient service.—Brothers and their families. TO THE PEOPLE OF MORGAN COUNTY

There are a very few people in Morgan county who don't know me and my opponent in this race and know our background, our beliefs, our mode of doing things, our general attitude toward the public.

It has been a practice in Kentucky to give the County Attorney's office to your attorneys to give them a boost and to help them get established. I have always believed in this and still believe it. They are always better qualified, being fresh from law school and ambitious to make good.

When I was a young man getting started as an attorney, you were good enough to elect me over some older men, and I have always appreciated this, as it helped me to get established. You also have honored me many times since for which I want to thank you.

You will have an opportunity to vote for your friend and neighbor in the Primary on August 1, 1953. I want to thank you in advance for your support, and with your help I will make you a good officer and repay you with honest, faithful and kind service. I am

Sincerely yours,

IN MEMORIAM

In memory of my dear husband, Sam Haney, who passed away April 2, 1951—

It's been two years since you passed away

My life has been one dreary day

With flowing tears and saddened grief

That your presence only could give relief

Your face and form are pictured clear

When memory calls, we bring forth a tear

Which recalls your ways from everywhere

Making ourselves without you so very dear

Your voice on earth which now is still

In heaven I'll hear, I know I will

It was so soft, so kind, so low

We seem to hear its sweet echo

We miss your honest and good advice

All things you said fit in so nice

In daily life we enjoyed so then

With you, Dear Sam, the best of men

But God looked down one April day

And said, "I'll bring you home with me to stay

Your toils and labors down there are o'er

There's bliss for you I have in store

You rest in love around God's throne

Your memory's there and all is known

In God's charge your mortal lies

Till your immortal comes forth and rise

—The Sam Haney Family (pd.)

JOE C. FANNIN FOR COUNTY CT CLERK

After much persuasion and encouragement from leading Democrats from all parts of the county, I have decided to make this my formal announcement for County Court Clerk.

In starting this race let me say that I have a clear conscience as to how I have treated any Democrat nominee or the Democrat party.

I intend to make an active campaign and try to see every person in the county possible.

I believe the sentiment of the people is for me and I will win by a nice majority.

Thanking you in advance for past favors and your kind and loyal support I am

Sincerely yours,

Slim Miller Will Perform At 4-H Talent Show Here March 27th

Slim Miller, Renfro Valley's famous comic fiddler, will again perform at the Morgan County 4-H Club Talent Show at the Morgan County high school on March 27.

Slim is well known for his enormous "britches" and his wit as well as his expert fiddling ability. He will be on the lookout for possible talent to be used on the Renfro Valley show. Last year he invited three of the performers to be his guests on a Renfro Valley Saturday night program.

Clubs to Entertain

The various 4-H clubs of the county are planning stunts, songs, and other acts of entertainment for the first part of the show. Jones Creek, Coffee Creek, Licking River and Ezel are among the clubs that are already practicing their stunts. This part of the program was enjoyed immensely last year.

Amateur Show Open to All

The Amateur Contest will be open to anyone who is not a professional entertainer. The contest was won by Linville Ball of Crockett last year. The county agents of Magoffin and Wolfe counties will assist Slim Miller in judging the contest this year.

Clubs Will Share Profits

Members of the various 4-H clubs will ultimately get all the financial benefits of the show. However, a plan has been worked where each club will have a share to use as it sees fit. Members of each club will sell tickets in advance and keep half the receipts. Likewise, each club may keep half the money they raise in their own communities for their king and queen contestants. The other half will be used by

the county 4-H Club Council, after expenses of the show are paid, to finance such activities as prizes and ribbons for the style show, county Rally Day, expenses of county winners to the district contests, refreshments for the county Play Day, hauling charges for 4-H members' calves to district shows and other such events. Admission to the Talent Show will be 25 cents for school children and 50 cents for adults.

Dr. Victor A. Tiedjen of Marion, Ohio, has been awarded the Thomas Roland Medal by the Massachusetts Horticulture Society for outstanding work in the field of horticulture.

History of Family of John P. Fugett, Vet Chicamunga Battle

John P. Fugett

John P. Fugett, son of Granville Fugett and Mary Perry Fugett, was a Civil War soldier and severely wounded in the battle of Chicamunga. The bullet was cut out and molded into rifle bullets of which there were 32, which shows the comparative size of the large musket balls used in the Civil War.

In the battle with him were two other well known men from Morgan county: Judge Will Perry and John L. Ferguson.

After the Civil War closed, Fugett returned home and married Georgia Ann Carpenter, daughter of Josiah and Nancy Carpenter and a sister to Joe Carpenter whose son H. W. Carpenter was a West Liberty merchant for a good many years.

Mr. Fugett purchased a farm for \$500 on Toms Branch now known as the Frank Sheets farm. He was known as a brave soldier, a good citizen and a loving father. His wife died when most of the children were small and he took care of them after her death.

Mrs. Rebecca May

One of his daughters is now 75 years of age and very active. She is Mrs. Rebecca May. Mrs. May is the mother of eight

children. She was left an orphan at eight years of age and remembers working at Dock Stamper's for 30 cents a week. She lived for some time with Mr. and Mrs. Perry Carter, close relatives and from whose home she was married. She said while visiting at the Courier office recently that she thanks God for His goodness. Many wonderful things have taken place during her lifetime, she said.

Her sister, Mrs. Tom Henry, lives at Woodsbend and has two sons and three daughters, Orville Henry and Harold Henry, Thelma May, Ina Staton and Rebecca Engle.

The sisters of John P. Fugett were Nancy F. Wells, Lou F. Neal, Lucinda Bays, Lizzie Neal and Sarah Vest.

Mrs. May said her father's brothers were Jim Fugett, Will Fugett and Joe Fugett.

Mrs. May's first husband was Ben Henry. They had one son, Joe F. Henry. She later married L. F. May. They had two sons, Mrs. May a teacher living at Woodsbend, and Walter May, a farmer near Malone. A daughter, Mrs. Wilma Wells Williams lives at Dayton, O.

Mrs. May said she would like to express her appreciation to the Licking Valley Courier for compiling so many stories of the earlier residents of Morgan.

Morgan County Farm Home of the Week

HOUSE PLAN No. 42

PLANNED FOR A YOUNG FAMILY

On a small budget you can have a comfortable, convenient home. The low cost of this Farm and Ranch house is accomplished by a combination of things. For instance, the interior walls by the bedrooms are formed by the closets, which actually serve as partitions. Where it usually takes 3,000 square feet of wallboard to build the inside walls in most homes, less than 1,000 square feet are required to cover the interior walls of this house. These low-cost walls can be provided by using only the type of roof framing

which we specify. This framing is such that the exterior walls can be erected and a goodly portion of the inside finish completed before putting in the partition walls. The exterior walls carry the entire weight of the house.

The main portion of this house can be built first, then the garage and space for a washing machine may be added later. Some cost has been cut by using a box-type construction for the garage. This arrangement also gives a pleasant change in texture that often is found in modern homes.

We have further reduced the cost by suggesting the use of a double wall cement asbestos flue instead of the conventional brick chimney. This flue is very satisfactory and can be conveniently supported by the roof structure.

Steel casement windows are used in order to reduce maintenance cost as much as possible.

The rooms in the house are very conveniently arranged. See how handy the bathroom is to the bedrooms and kitchen—and all the house! And note the large closets.

The kitchen is so arranged that there need be no traffic across the work area.

You can obtain blueprints for this **Courier FARM & RANCH** House Plan No. 5142 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, FARM & RANCH-Southern Agriculturist, Dept. E-89, Nashville, Tenn. Order by number, Plan No. 5142. Blueprints are adequate for any carpenter or for any farmer handy with tools.

AARON LYKINS FOR SHERIFF

In making my announcement as a candidate for the Democratic nomination for Sheriff of Morgan county in the coming Primary in August, I submit that I have been a magistrate for the last four years and as such have had an opportunity to learn some things about the duties of the office. I realize this is an important office and that it means more than a Tax Collector's job. The Sheriff's office is the most important law enforcement agency of the county government.

I believe in law and order and if elected I will do all that I can to enforce the law in a lawful manner and be ready, at all times to see that good order and good government is maintained.

With my promise to make a good sheriff I ask your favorable consideration in my behalf. May I ask that you take interest enough in me to go to the polls and vote for me at the Aug. Primary on August 1, 1953.

Respectfully,
AARON LYKINS
